About The Gauga County Democratic Party

The Geauga County Democratic Party is dedicated to electing and supporting local Democratic candidates and Democratic issues here in Geauga County. We also work to support and obtain votes here in our county on behalf of statewide and national Democratic campaigns.

The Geauga County Democratic Party is made up of citizens who share common values and believe in making our community and our world a better place through volunteerism, issue education, political activism and community organizing.

While all Geauga County registered Democrat voters are automatically a member of the Geauga County Democratic Party, to be a Club Member of the party and to enjoy the Club Member benefits, you need to complete this Club Member application.

Whether or not you decide to become a Club Member of the party, we encourage you to get active in our political activities by volunteering. To learn more, contact us at the below address or phone number and visit our website. Thank you.
